

Eleiko XF 80 Dumbbell Rack 2.0, 1720 mm

black

Our XF 80 Dumbbell racks work with our range of XF Racks and Rigs. For racks select the 1100 mm length, while either option is appropriate for rigs depending on the rig design. The storage accessory pieces can also be used as components to build custom storage with Eleiko XF Leg options. The 1100 mm rack can hold up to 4 pairs of XF dumbbells ranging between 6-12 kg. The 1720 mm rack can store up to 6 pairs of XF dumbbells between 6-16 kg.

Features
